

艺术墙 TEXTURE WALL

WHY TEXTURE WALL

AESTHETIC APPEAL.

Texture wall can add depth and interest to an otherwise plain, boring surface. Depending on the texture chosen, it can create a rustic, modern or even industrial look.

WHY TEXTURE WALL

HIDING IMPERFECTIONS.

if a wall has minor cracks, dents or other imperfections, texture wall can help hide them.

WHY TEXTURE WALL

DURABILITY.

Stucco or plaster can add an extra layer of protection to walls, making them more durable and resistant to damage.
