* Make sure to use the specified application tools.

* Be careful not to come in contact with solvent-based material such as thinner. Protrusions for patterning may become loose.

Suitable substrates

Concrete, cement rendering, ALC panels, slate boards, siding boards, old paint films (old film should be sound), etc.

Uses

Interior and exterior walls of houses, condominiums, hotels and shops, etc.

Hazards Information and Safety Precautions

Handle a product in accordance with SDS (Safety Data Sheet). Be careful about the safety control when conducting application work.

Precautions after Application

This material contains volatile chemical substances. Pay attention to safety measures for people having chemical sensitivity or allergies when handing over a project immediately after the application.

Rammed Earth Finish

BELL ART
ベルアート

The traditional technique "Rammed Earth Finish" is arranged with BELL ART. The stacked finish like a stratum creates a solid wall surface. For details, please contact your nearest sales office.
