

Deluxe Natural Stone-like Decorative Coating

ELEGANSTONE

MINISTRY OF FINANCE HEADQUARTER (MALAYSIA)

ELEGANSTONE

ELEGANSTONE is a magnificent and luxurious natural stone-like decorative finish coating.

Natural stone has natural warmth and calmness which never change. Containing inorganic materials of natural stone, ELEGANSTONE is a magnificent and luxurious natural stone-like decorative finish coating. Compared with stone materials, the easy application can shorten the work period. The lightweight specification of ELEGANSTONE does not apply a burden to a user's body and it is safe without danger of paint exfoliation.

Nowadays the market demand for buildings changes into more unique and magnificent appearance. Create a new image with this product, which provides the rich texture of nature.
